MASSACHUSETTS–NOVA SCOTIA | OFFSHORE WIND RFI

NOVA SCOTIA / NEW ENGLAND • OFFSHORE WIND + TRANSMISSION • ACTIVE RFI / WATCHLIST

PROCUREMENT SIZE	RESOURCE TYPE	TARGET COMMENCEMENT	RESPONSE DEADLINE
NOT SPECIFIED	OFFSHORE WIND + DELIVERY	NOT ESTABLISHED	31 DEC 2026 | 5 PM EST

01 | PROCUREMENT OVERVIEW

Issuing Parties	Massachusetts EEA, DOER and MassCEC with the Nova Scotia Department of Energy
Information Requested	Market input on utility-scale offshore wind development in Nova Scotia waters and delivery to New England
Geographic Scope	Nova Scotia offshore area and New England; Connecticut, Maine, Rhode Island and Vermont are participating states
Delivery Concepts	Direct subsea HVDC to New England or wheeling through Québec and/or New Brunswick over existing, upgraded or new transmission

02 | COMMERCIAL & CONTRACTUAL TERMS

Process Type	Information-gathering RFI only; not a request for proposals, offer or commitment to procure
Contract Structure	None established; RFI seeks feedback on future ownership, procurement, cost-allocation and contracting models
Capacity / Pricing	No aggregate target or pricing request; the document asks respondents to recommend appropriate project scale
Future Procurement	No future procurement or Call for Bids is guaranteed; participation does not affect later eligibility or ranking

03 | ELIGIBILITY & TECHNICAL REQUIREMENTS

Eligible Respondents	Developers, transmission entities, utilities, operators, ports, labor, academia, Indigenous groups and other stakeholders
Technology Scope	Fixed-bottom and floating offshore wind; subsea HVDC and overland transmission pathways
Response Scope	Respondents may address generation, delivery/transmission or both and need not answer every question
Material Restrictions	Maximum 15 pages excluding attachments; confidentiality cannot be guaranteed under applicable public-records laws

04 | CRITICAL DATES & SUBMISSION

RFI Issue Date	12 November 2026
Clarifications / Q&A	No separate question deadline or bidder conference specified
Response Submission	31 December 2026 | 5:00 PM EST / 6:00 PM AST; Word or PDF format
Submission Method	Email both austin.w.dawson@mass.gov and OffshoreWindSubmission@novascotia.ca; subject: MA-NS Offshore Wind RFI Response
