LIBERTY UTILITIES | NEW HAMPSHIRE DEFAULT SERVICE

NEW HAMPSHIRE / ISO-NE • FIRM LOAD-FOLLOWING POWER • RFP ID: LOAD BLOCK C

PROCUREMENT SIZE	RESOURCE TYPE	TARGET COMMENCEMENT	BID DEADLINE
50% SMALL CUSTOMER LOAD	DEFAULT SERVICE SUPPLY	01 FEB 2027	08 DEC 2026

01 | PROCUREMENT OVERVIEW

Procuring Entity	Liberty Utilities (Granite State Electric) Corp.
Resource Requirements	50% of Small Customer Group Default Service; variable firm load-following supply for Load Block C
Eligible Geography	ISO-NE New Hampshire Load Zone; source generation technology not specified
Delivery Requirements	Supply energy, capacity, ancillary services and reserves to the NH Load Asset; carry applicable ISO-NE market and loss obligations

02 | COMMERCIAL & CONTRACTUAL TERMS

Transaction Structure	New Hampshire Master Power Agreement plus Confirmation; effectiveness conditioned on NHPUC rate approval
Contract Tenor	Six months: 01 Feb 2027 through 31 Jul 2027
Key Commercial Terms	Bid six fixed monthly all-inclusive $/MWh prices; no volume cap or minimum; separately price optional NH-RPS compliance
Credit & Security	Daily mark-to-market CSA; BBB-/Baa3 or below: 20% notional Independent Amount; cash, LC, guaranty or approved unsecured credit

03 | ELIGIBILITY & TECHNICAL REQUIREMENTS

Supplier Qualification	Financial package, five years of power-supply experience and three recent load-following references due 20 Nov
Market Participation	ISO-NE Market Participant agreement or designated Market Participant required; updated Liberty MPA before indicative pricing
Technical Criteria	Firm supply across variable demand; include all required market products and costs; accept ISO Load Asset ownership share
Material Restrictions	Volume caps, demand/TOU prices, minimum purchases and excluded costs are rejected; clarify 2027 RPS % and apparent 01 Feb 2026 approval-date error

04 | CRITICAL DATES & SUBMISSION

Qualification Package	20 Nov 2026 | 5:00 p.m. ET
Indicative Pricing	01 Dec 2026 | 10:00 a.m. ET
Final Pricing	08 Dec 2026 | 10:00 a.m. ET; valid through 2:00 p.m. ET
Submission	energysupportservices@libertyutilities.com | Attn: Chris Green
